👤 PROFILE

Versatile and growth-driven Associate Software Developer, with hands-on experience in building secure, scalable, and high-performance web applications. Proficient in Laravel, Livewire, Volt, Tailwind CSS, JavaScript, PHP, MySQL, and Node.js, with a strong focus on clean code, intuitive design, and full-stack integration. Actively expanding into mobile development through Android and Kotlin Multiplatform (KMP), using Jetpack Compose and modern architecture patterns. Also exploring AI engineering topics such as LLMs, RAGs, and model fine-tuning as a personal passion. Committed to continuous learning, effective collaboration, and delivering impactful end-to-end solutions.

💼 PROFESSIONAL EXPERIENCE

Associate Software Developer
DayZ Solutions (Pvt.) Ltd.

2025 – present
Nittambuwa, Sri Lanka

Associate Software Developer with hands-on experience in Laravel, Livewire, and MySQL. I develop full-stack web applications using Volt, PowerGrid, and TailwindCSS, delivering responsive and real-time user interfaces. My work focuses on clean architecture, secure backend logic, and building scalable, high-performance systems that meet modern development standards.

Full Stack Web Developer
Freelance

2023 – 2025
Remote

Experienced freelance full stack developer skilled in PHP, Laravel, and MySQL. I craft robust web applications using TailwindCSS and HTML, ensuring responsive designs, secure backends, and scalable, efficient high-performance solutions.

C# Developer
Freelance

2023 – 2025
Remote

Experienced C# developer proficient in C#, .NET framework, and SQL, dedicated to building efficient and scalable software solutions.

Front-End Web Developer
Freelance

2022 – 2025
Remote

Experienced front-end developer proficient in HTML and CSS with a foundational knowledge of JavaScript, dedicated to creating visually appealing and user-friendly web experiences.

🎓 EDUCATION

Pearson BTEC Level 5 HND in Computing - Software Engineering 2023 – 2025
ESOFT Metro Campus - Gampaha Gampaha, Sri Lanka

Recently graduated from this UK-accredited program, gaining practical experience in software engineering, web development, databases, and networking. Completed real-world projects using C#, PHP, JavaScript, etc. strengthening full-stack development and software design skills.

Pearson Assured Level 3 Diploma in Information Technology (DITEC) 2022 – 2023
ESOFT Metro Campus - Gampaha Gampaha, Sri Lanka

Completed this comprehensive program covering IT concepts, MS Office, computer hardware, network technology, web design, graphics, software engineering, programming with Python and C#, and databases with SQL. Developed a versatile skill set applicable to various IT roles.

Assured Level 3 Diploma in English (DIE) 2022 – 2023
ESOFT Metro Campus - Gampaha Gampaha, Sri Lanka
