🪪 PROFILE

Versatile Full Stack Developer skilled in Laravel, Node.js, Tailwind CSS, JavaScript, PHP, and MySQL, with a strong focus on building scalable, secure, and high-performance web applications. Passionate about clean, maintainable code and intuitive user experiences, I work across both frontend and back-end to deliver end-toend solutions. Currently expanding into Android development with Kotlin and Jetpack Compose, while also exploring AI technologies like LLMs and fine-tuning as a personal interest.

💼 PROFESSIONAL EXPERIENCE

Full Stack Web Developer   2024 – Present
Freelance
Experienced freelance full stack developer skilled in PHP, Laravel, and MySQL. I craft robust web applications using TailwindCSS and HTML, ensuring responsive designs, secure backends, and scalable, efficient high-performance solutions.

Front-End Web Developer   2022 – Present
Freelance
Experienced front-end developer proficient in HTML and CSS with a foundational knowledge of JavaScript, dedicated to creating visually appealing and user-friendly web experiences.

C# Developer   2023 – 2025
Freelance
Experienced C# developer proficient in C#, .NET framework, and SQL, dedicated to building efficient and scalable software solutions.

🎓 EDUCATION
